LUXURY SURFACES

Super Matt & Textured Unicore PETG Laminates

D'Amour Laminates by Ventura are a new-age premium surface range engineered with advanced Unicore PETG technology, redefining modern furniture aesthetics and performance. PETG (Polyethylene Terephthalate Glycol) delivers exceptional flexibility, high impact resistance, and eco-friendly durability, making these laminates safe, recyclable, and ideal for high-usage interior spaces.

Perfectly colour-matched edge banding ensures seamless continuity and a refined, uniform look. With a premium touch and advanced surface technology, D'Amour Laminates are ideal for furniture that demands elegance, durability, and contemporary design.

SALIENT FEATURES

Our Extensive Research & Development has allowed us to incorporate such innovative features into our range of laminates.

SPECIFICATION

Thickness: 1 MM (+/-10%) (Same as sample used in brochure)

Size: 3050 mm x 1220 mm (10 FT x 4 FT)

UV Stability/Weather Resistance

This product is free from UV stabilizers, highlighting its environmental benefits. It supports effortless coloring while ensuring consistent mechanical properties across diverse use. The elastomer maintains its performance even at low temperatures, effectively addressing the drawbacks of conventional plastic materials.

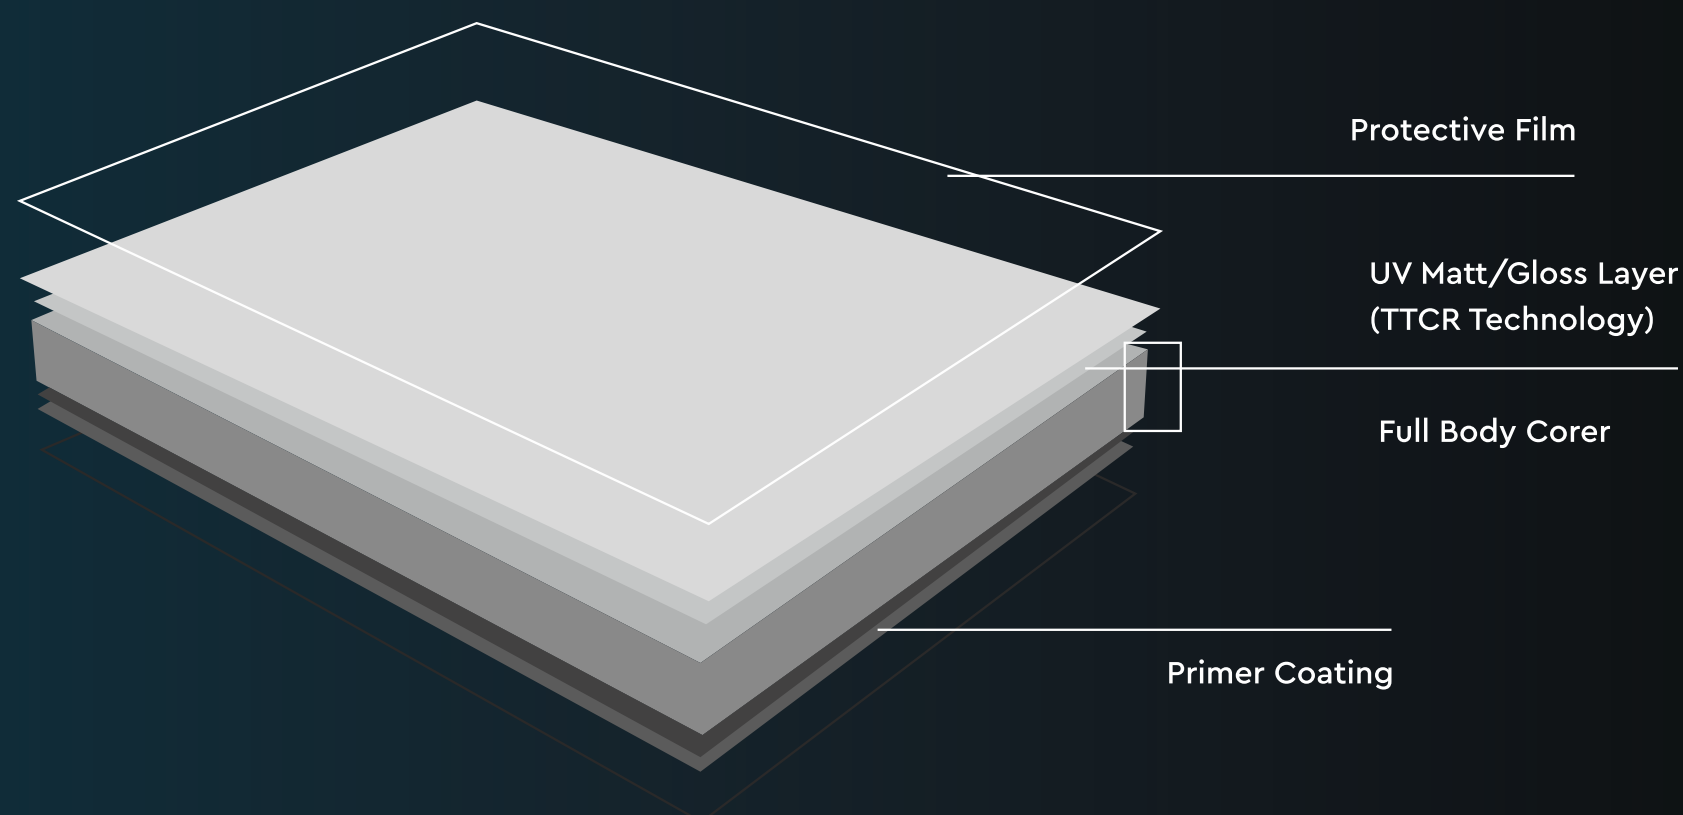

Chemical Resistance

This material boasts excellent resistance to solvents, making it ideal for a variety of applications.

Full Body Core

(Single color material all over)

- There will be no guarantee or exchange under any circumstances
- Color variations in products from different batches are possible
- We recommend using products from same batch to avoid color variations

Matching Edge Bandings available for all designs.

DISCLAIMER

- Improper handling/transportation /storage • Improper installation • Improper or unintended usage
- Lack of or improper maintenance • Exposure to high temperatures • Unauthorized alteration to the products
- Outdoor applications • Do not use plywood with high moisture content
- Do not use ply with uneven surface • Avoid using inferior quality adhesive • Apply sufficient pressure
- There will be no guarantee or exchange under any circumstances
- Color variations in products from different batches are possible
- We recommend using products from same batch to avoid color variations

IMPORTANT
